

Creators of Quality Game Art Assets. Sign up for our newsletter and get a Free 3D game ready assets to use in your development projects.

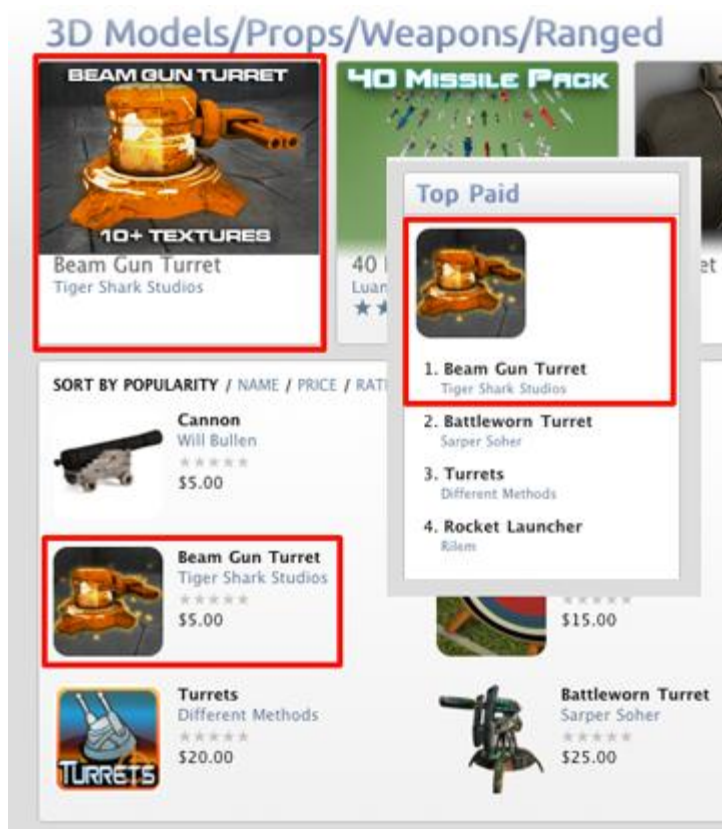

Welcome to the Tiger Shark Studios News letter.

We pride ourselves on creating game art assets that will elevate your projects to the next level. There's plenty that is just bubbling under the surface right now, We have new art packs, models, animations and tool kits to come. Check out our latest released artpack / toolkit the Valkyrie Battle Tank. Available on our asset store.

VALKYRIE BATTLE TANK TOOLKIT BACK STORY.

The Valkyrie is the latest in heavy fire battle tank toolkits from Tiger Shark Studios. This toolkit allows modification on all aspects of the tank, steering, weapons, tank tracks, recoil motion effects and laser sighting. Comes with code, art, heat seekers, rockets & bullets, six alternative turret cannons and over 40 texture maps for you to swap and experiment with. This Tank delivers destruction at the touch of a button.

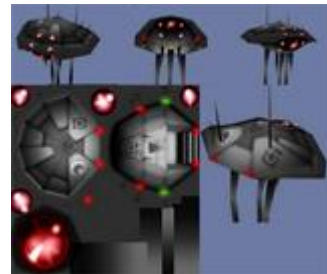

REBEL FLEET UPGRADES.

Follow great feedback and high downloads of this art pack we are upgrading the models and textures.

Expect to new ship designs and the incorporation of control scripts to being added realism to the Rebel Fleet of Ships.

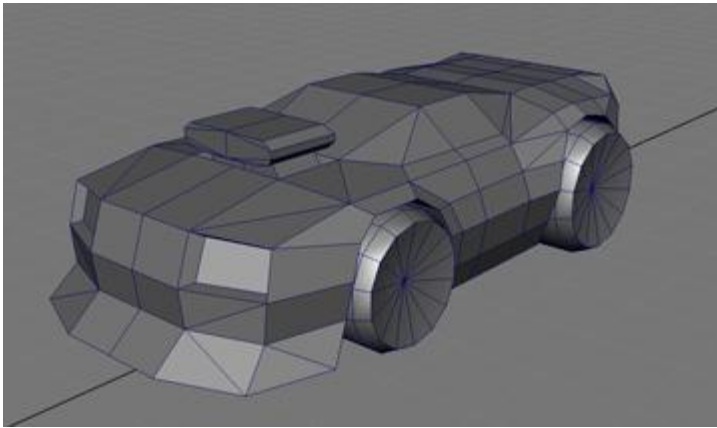

No. #1. Ranking for BEAM GUN.

The Beam Gun Turret has hit number one in top paid slot on the Unity Asset Store rankings. Big Thanks going out to all our customers who have supported us. We are currently working on game developments as well as more quality art assets for you all to enjoy. Remember to visit our website and blog as we will be running special offers such as free game ready models, textures maps and artwork for those who purchase assets directly from us at Tiger Shark Studios.

New Versions of Probe Droids

New texture maps and a animated version of the free porbe droid are in the works. Should be ready to

grab in March 2012. The Rebel Probe has been downloaded over 2000 times to date. Weaponized probe will also get the make over treatment in 2012.

Custom Car Pack 3.

We've completed the next pack of custom cars. These are shaping up to be even cooler than the last. Expect to say the same high quality of texture maps that have graced previous Custom Car packs 1 and 2.

Special offers will also be available to customers who purchase this asset pack from the Tiger Shark Studios website.
