**March is here, Time for more Great Assets.**

A big shout out to our fans and supporters on Facebook, Twitter and Village

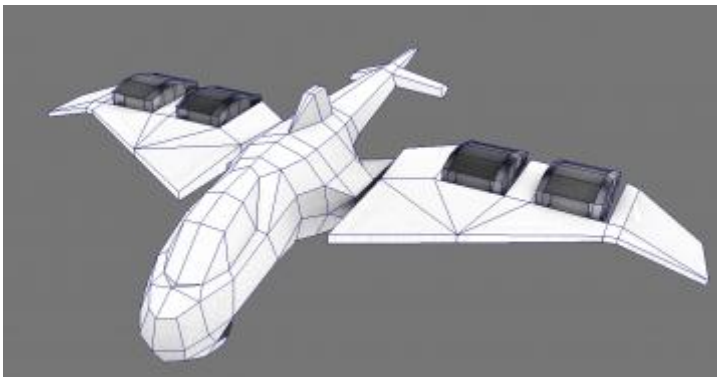

Gamer. January was our best month ever. February was a close second too. We really appreciate it. To celebrate the continuing growth of Tiger Shark Studios, we are offering for a limited time only, Exclusive to this website, **50% off** the Valkyrie Battle Tank. Yes that's a clear \$45 savings. Grab it while the offer lasts.

### **Game Development.**

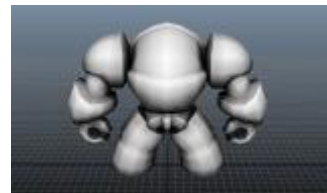

We are working on some games that should ship later this year. Initial plans are to ship these games with exclusive content that will not be available anywhere else on the web. We will be adding Playable demos and images to the blogs as more content is finalized.

Lots on new assets are on the way, check out the news below.

### **New Hawk Class Ships.**

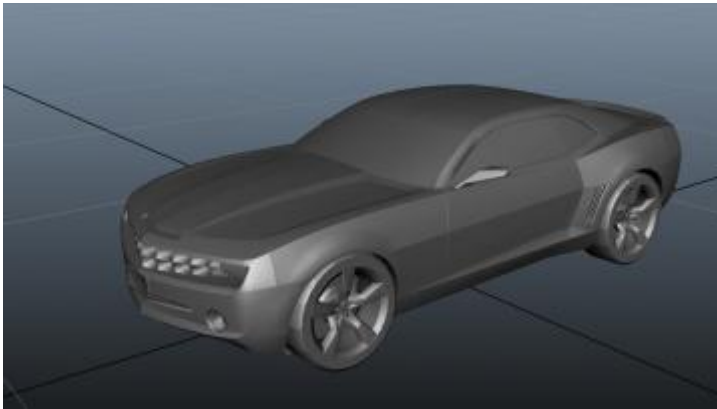

As part of the Space Fleet series we have the new Hawk

### **Space Trooper.**

If you love Starship Troopers, then your going to love our new bug

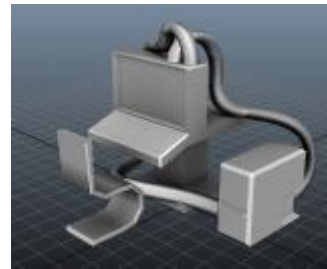

class interceptors. Based on design's created here at TGS, These ships will make a great addition to your space game. These vessels will have many new features and support assets when they become available.

## Replica Car sets

Got a nice image for you car lovers out there. This is from one of our summer listed mega packs. We had to push them out to summer so that we can work on other merchandise that will also be released here on TGS website. Expect some high quality textures with these along with one or two cool bundle accessory packs thrown in for good measure.

hunting set. Some great models merged with excellent textures and jaw dropping animations are going to really make this asset pack a winner.

## Geek Tech Station,

This asset pack is part of our Geek set. Very quirky, stylized and fun assets that look good in an interior set. Assets will include both geo and texture animations.
