## Tiger Shark Studios: May 2012

Another Busy Month, Sales are growing, Valkyrie Tank is shifting alot of units. Big

Thankyou to our loyal fans and customers. We are also proud to announce that our first free video tutorial is now available on youtube. Check the link to watch it, [Free Video tutorial](#)

Also a shout out to Anton Klock And Pedro Portasio, who left us some great feedback on the Unity Asset Store last week. Thanks guys.

## NEW REBEL FIGHTER

This compact and fast fighter craft is now available on our website. It comes with over 15 texture maps, psd files, to allow you to create your texture maps and 11 unique animations to use with the asset. This fighter is a front line ship from the Intruder class of ships. Fast, powerful and adaptable.

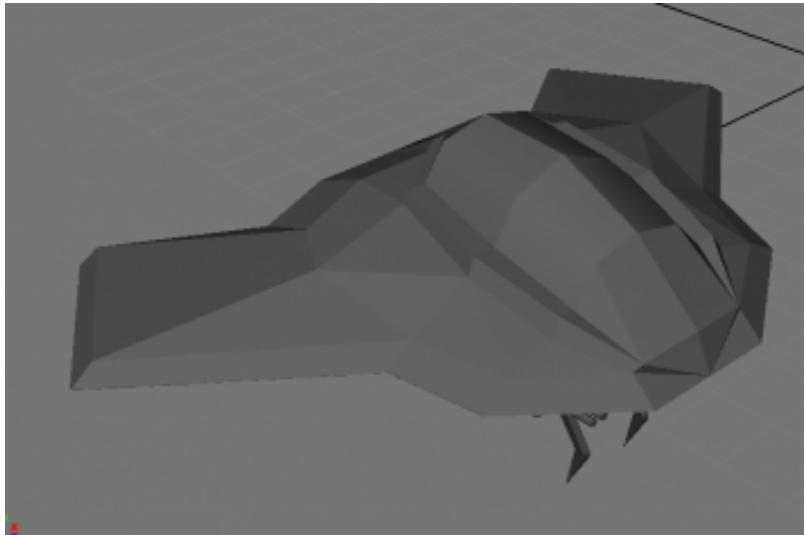

**More Cities join our ranks! 402 Awesome.**

## Our Indi Game

This is one of the shp designs that we are working on for our indie game concept. It's loosely based on old Saturday morning cartoons. Our team is currently submerged in code and art

Tiger Shark Studios website traffic continues to grow. We've had over 5000 site visits and gained fans from over 400 cities worldwide. Big shoutout to all our fans, customers and supporters, it's greatly appreciated. Working hard to provide more content for you all to use, benefit from and enjoy in your games.

## Fleet Renamed

What was the Probe fleet will be renamed before release. This is to make the asset packs naming conventions more cohesive. This mega pack is on schedule for launch mid summer. We will be offering extra tutorials and exclusive content with the purchase of this asset pack.

Bookmark Tiger Shark Studios website for updates on these special promotions and giveaways.

so as soon as we have more we will share it with you.

## New Concepts

We are working on some video tutorials to demonstrate our idea creation process. This is one of our many design sketches that we refine and modify before making it into an art asset.
